Annual Ministry Report for CY 2024
Rev. Dr. Mark A. Wainwright, Senior Pastor

Name of Organization:

Chairperson:

Purpose:

To consider major repairs, renovations, and expansions and to recommend to the Church action to insure the preservation and upgrading of the facilities as needed for the Church's programs.

Membership:

Wallace Williams, Charles Gross, Russell Pinckney, Ernest Rodgers, Rudolph Ross, Nancy Williams, Juan Mackell, Sandra Herndon

Budget: 0

Expenditures: 0

Completed projects and accomplishments:

One meeting was called to conduct a walk through of the church's space to consider recommending changes in use of space. Unfortunately, no other members attended. The main observation was a need to identify and clean-up/dispose of unwanted and excess items cluttering the church. A first effort was made with assistance from the laymen, trustees and other volunteers. Additional work needs to be done, especially on the second and third floor of the Annex, and second floor of the sanctuary.

Incomplete/Ongoing Projects:

See above.

Comments/Recommendation:

All ministries with items in the church need to identify what needs to be saved and properly labeled and stored. Items not needed should be removed or disposed of.

Respectfully submitted,

Jesse B. Smith, Jr.
